## SUMMARY

---

Driven Frontend Developer with expertise in web technologies. Passionate about creating responsive, user-friendly web applications. Eager to contribute skills, creativity, and determination to dynamic projects, continually expanding knowledge.

## EXPERIENCE

---

### Web Developer Intern

AKV TECHNOLOGIES PVT. LTD.

February 2023 – August 2023, Bengaluru, Karnataka

- Engineered a pristine, efficient, and sustainable codebase in HTML, CSS, and JavaScript, ensuring optimal cross-browser and cross-device compatibility for heightened speed and scalability.
- Spearheaded troubleshooting and debugging initiatives, resulting in enhanced web application performance and responsiveness.
- Leveraged authoring and content creation tools to architect, construct, and maintain websites, fostering seamless collaboration within the team.
- Revamped the company's official website, crafting an appealing and dynamic interface using HTML, CSS, JavaScript, and jQuery for an enhanced user experience.

## PROJECTS

---

### AKV Technologies

AKV Technologies Pvt. Ltd. • <https://www.akvtechnologies.com/> • March 2023 – June 2023

- Revamped company website for heightened appeal and user-friendliness.
- Developed and tested HTML, CSS, and JavaScript to optimize front-end performance.
- Elevated functionality through meticulous design and implementation.

### Promptopia

Personal Project • <https://github.com/iSugam/promptopia-jsm-next13> • October 2023 – October 2023

- Mastered Next.js 13 through a hands-on project from Javascript Mastery, excelling in API development, authentication, and CRUD operations.
- Acquired in-depth knowledge, implementing diverse features and methodologies.
- Elevated project proficiency through comprehensive utilisation of the Next.js 13 framework.

### More Projects

Personal Projects • <https://sugam-portfolio.netlify.app/all-projects> • December 2021 – November 2023

- Implemented project page links for each portfolio project, fostering enhanced accessibility.
- Facilitated seamless navigation to detailed project information, optimising the user experience.
- Ensured a cohesive and professional presentation of the portfolio.
